

Distribution Management Association 2012 Member Scholarship Program

The Distribution Management Association (DMA) Scholarship Committee is excited to announce its scholarship program and invites you to participate. The Committee believes this program offers members and their companies an opportunity to become stronger in an ever changing Transportation and Logistics Industry.

The DMA Scholarship Fund was established to enhance membership benefits for Transportation and Logistics industry members and to encourage educational growth of DMA members and their immediate family members.

Distribution Management Association members in good standing and their immediate family are eligible to participate in the program. We will award the students who have been selected to receive a \$1,000 scholarship at the Transportation & Logistics Summit on March 9, 2012.
